To whom it may concern,

**REF: REFERENCE LETTER**

At the request of Abrimo Global Consultants Ltd, we are pleased to write a reference letter in regards to the quality of its consultants and methodology of its work.

We worked with Abrimo Global Consultants Ltd in the past when we contracted them to develop company policies and installation and training on quickbooks accounting software. The consulting firm also assisted in data capture of the company's accounting records in the quickbooks system.

Abrimo Global Consulting Ltd have competently delivered the assignment as outlined in the terms of reference. We highly recommend them for assignments dealing in capacity building, training and internal audit.

Yours sincerely,

Issack Hassan Abey  
Managing Director
